

The Bardoli Pradesh Kelvani Mandal  
Education Society's  
**Dr. Dayaram Patel Pharmacy College**  
**Bardoli**

Approved by AICTE, PCI, Affiliated to GTU

*Organized*

National Seminar on

*Role of green and environment  
chemistry in betterment of Healthcare  
sector*

(12<sup>th</sup> March, 2019; Tuesday)

Sponsored by

**Gujarat Council on Science and Technology,  
[GUJCOST] Gandhinagar**

**Dr. Dayaram Patel Pharmacy College**  
Kalyanji Education Academy Campus,  
Opposite Swaraj Aashram,  
Sardar Patel Marg (Station Road),  
Bardoli, Dist: - Surat (Gujarat)  
Pin. No: - 394601  
Telephone: 02622-220631

**Email: [seminardppc@gmail.com](mailto:seminardppc@gmail.com)**

**Patron in Chief**

**Dr. Dinesh Shah (Provost, Uka Tarsadia University)**

**Patron**

**Mr. Bhaghubhai Rambhai Patel**

**Co-Patron**

**Mr. Kiritbhai N Patel**

**Team DPPC**

**Convener: Mrs. Ruchi H Vyas (I/C Principal)**

**Coordinator: Dr. Devesh U Kapoor**

**Organizing Committee**

**Registration & Proceeding : Mrs. Chaitali C Lad and**

**Mr. Manish Patel**

**Finance: Mr. Kamlesh Mehta**

**Hospitality: Mr. Anil Ahir and Mrs. Alka Vyas**

**Food: Mr. Dipakbhai Halpati, Mr. Jayantibhai Chauhan.**

**PROGRAM SCHEDULE**

**12<sup>th</sup> March, 2019; Tuesday**

**Registration and Breakfast 9.30 - 10:00am**

**Inauguration: - 10:00 - 10.30am**

<b>Lecture Session – I</b>	<b>10.30 – 12.00am</b>
----------------------------	------------------------

**Lunch Break**

<b>Lecture Session – II</b>	<b>1.00 – 2.30 pm</b>
-----------------------------	-----------------------

<b>Lecture Session – II</b>	<b>2.45 – 4.00 pm</b>
-----------------------------	-----------------------

**Valedictory Function: - 4:00 – 4:30 pm**

**High Tea: - 4.30 – 5.00 pm**

**Registration Form**

(Available on [www.dppc.ac.in](http://www.dppc.ac.in))

Name: \_\_\_\_\_

Qualifications: \_\_\_\_\_

Designation: \_\_\_\_\_

Institute/Organization: \_\_\_\_\_

Address: \_\_\_\_\_

Phone: O \_\_\_\_\_ M \_\_\_\_\_

Email ID: \_\_\_\_\_

Registration as (Tick):

Academicians: 300/-  Student: 200/-

Industry Personal: 500/-

DD No: \_\_\_\_\_

Date: \_\_\_\_\_

Signature: \_\_\_\_\_

**For online transaction:-**

**Name of the A/c holder: Principal**

**Account Type: Saving**

**Account Number: 275910100002482**

**Banker's IFSC Code: BKID0002759**

**Venue :- Seminar Hall, Dr. Dayaram Patel  
Pharmacy College, Bardoli**

### About the institute

Dr. Dayaram Patel Pharmacy College (Kalyanji Education Academy) was established in the year 1983 with the initiation of visionary trustees of **Bardoli Pradesh Kelvani Mandal (BPKM)** to cater the needs of pharmacy education in rural areas like bardoli in Gujarat. It is an effort towards meeting the growing demand for quality education. The institute has been affiliated with **Gujarat Technological University**, Ahmedabad and approved by All India Council of Technical Education (**AICTE**) and Pharmacy Council of India (**PCI**), New Delhi. Institute runs AICTE approved Diploma in Pharmacy College.

### Vision:

Vision of the institute is to nurture the students for educational excellence and scientific temperament with moral and ethical values that built the spirit of health care. Students had successfully realized our vision and mission within a few years by getting higher rank in university examination. The institute maintains excellence in academic and research activities. Our devoted teachers provide learning atmosphere and caring the students. Staff members are encouraged for carrier development.

### About the Seminar

Green chemistry, also called sustainable chemistry, is an area of chemistry and chemical engineering focused on the design of products

and processes that minimize the use and generation of hazardous substances. While environmental chemistry focuses on the effects of chemical pollutants on nature, green chemistry focuses on the environmental impact of chemistry, including technological approaches to prevent pollution and reduce the consumption of non-renewable resources. One can get the depth of ecological chemistry, that is, the design of molecules, materials, products, and processes more efficient in terms of resources and inherently safer, can be pursued in a wide range of contexts such as Green Buildings, Green Architecture, and Green Engineering, Green Nanotechnology, Green Economy, Environmental Chemistry and Pollution Control, Global Warming and Bioremediation, Biomass and its Conversion, Life Cycle Assessment & Environmental Sustainability, Green Analytical Techniques, Green Catalysis & Biocatalysts, Trends in Green Chemistry. Green chemistry and sustainability offer a unique opportunity to improve occupational safety and health through the application of the hierarchy of controls. The invited speakers are well renowned and great expertise in their respective fields. The topics of discussions are adapted in such a way to focus the most critical aspects of medicinal chemistry.

### Who should attend

We hereby invite experts, students of D.Pharm, B. Pharm, M. Pharm, M. Sc students and Ph.D. scholars in research, industry and the related areas to join us for brainstorming scientific deliberations.

The seminar will provide a platform for interaction between students, researchers, academicians and expert from industry.

### Eligibility

Pharmacy Teachers/UG & PG students & Research Scholars of Pharmacy College and industry.

### Registration Fees

**Students and Research Scholars:**

**200/-**

**Academicians:**

**300/-**

**Industry Personnel:**

**500/-**

Registration fee should be sent by DD. in Favor of **Principal, Dr. Dayaram Patel Pharmacy College, Bardoli** Payable at Bardoli along with the registration form.

**Note:** Queries regarding the seminar may be directed to **Dr. Devesh U Kapoor.**
